BREAKING NEWS

Inaugural CNMF West Africa Region
Conference, Abuja, Nigeria
21-23 April 2026

The Commonwealth Nurses and Midwives
Federation (CNMF) and the National
Association of Nigeria Nurses and Midwives
(NANNM) are very excited to announce that
the Government of Nigeria have generously
released the newly renovated and very
beautiful *Bola Ahmed Tinbu International
Conference Centre (ICC)* as the venue for the
Inaugural CNMF West Africa Region
Conference.

There are almost 1,000 registrants for the
Conference which necessitated a larger venue.
The ICC is situated very close to the Nicon
Luxury Hotel, the original venue for the
conference. On behalf of the CNMF and
NANNM, a very heartfelt thank you to the
Government of Nigeria for this generous gift,
which clearly shows its appreciation and
support for nurses and midwives of West
Africa.

27th CNMF BIENNIAL MEETING OF MEMBERS

Wednesday 23 September 2026

The Trained Nurses Association of India (TNAI) is hosting the 27th CNMF Biennial Meeting of Members at the TNAI Greater Noida Campus. The Greater Noida region of India's National Capital Region is home to a wide range of other educational institutions.

The CNMF Biennial Meeting of Members is the decision-making body of the CNMF. In addition to receiving reports from the CNMF President, Executive Secretary and Treasurer, the Biennial Meeting of Members endorses constitutional changes and policies, and sets the strategic directions for the organisation for the coming two years. All CNMF members and friends are welcome to attend. Attendance is free.

GLOBAL HEALTH MEDIA

<https://globalhealthmedia.org/video/>

Global Health Media recently announced the release of 10 new videos in their Emergency Care series. Some of the topics covered are:

- First Aid for a Snakebite;
- First Aid for Choking;
- Stop Bleeding with Direct Pressure;
- Placement of a Tourniquet;
- Splinting a Fracture;
- How to Immobilize the Neck of Injured People.

Global Health Media aims to improve health care and health outcomes, especially in low-resource settings, by developing videos that 'bring to life' health care information.
