

## **C R I T E R I A**

### **XXIV TNAI Biennial (73<sup>rd</sup> ) Conference 2012: Invitation for Scientific Papers**

#### **Theme: Quality Clinical Practice: Nurses' Concern**

#### **Sub-themes**

1. Quality Assurance in Clinical Practice
2. Influence of Professional and Statuary Bodies in Quality Clinical Practice
3. Impact of Nursing Education on Clinical Practice

#### **Guidelines for Scientific Paper Presentation**

The Scientific Paper to be presented in the Conference should be relevant to the Conference theme with focus on any one of the Conference Sub-themes mentioned above. Each paper should include:

- Introduction
- Objectives
- Review of literature
- Brief description of methods and procedures,
- Findings and interpretation
- Bibliography

Note: Two copies of the typed scientific paper containing not more than 1500 words(4-5 pages in double space in A-4 size) should be submitted to the Secretary-General, TNAI Headquarters by 30, June 2012. Best scientific papers from each sub-theme category will be selected by the Expert Committee formed by the TNAI Headquarters. The concerned person(s) will be intimated for presentation at national level TNAI Conference 2012.
