

CNMF 25th Biennial Meeting 2022

23-24 September 2022

Online
DRAFT AGENDA

Please note: The 2022 CNMF Biennial Meeting will be held online using Zoom technology. Holding the meeting online is a consequence of the ongoing difficulties being experienced by CNMF members and friends with responding to the COVID-19 pandemic in their country; access to vaccination; and the uncertainty and cost of international travel. The online meeting will be repeated on two occasions over two time zones to facilitate access for all CNMF members and friends. CNMF members need only attend one session, whichever time is the most convenient for them. It is anticipated the meeting will take 3 hours. Please see the attached administrative arrangements and time schedule (attachments 1 and 2).

Please note: All times below are London times and should be converted to your own time zone according to attachment 1. Session 1 will begin on Friday 23 September at 22:00 London time. Session 2 will begin at 13:00 on Saturday 24 September London time. Registration is essential (see attachment 3).
