- o The sports achievements must have occurred **within the last two years** preceding the conference.

2. Nomination Process:

- o Nominations must be submitted in writing to the TNAI at least 60 days before the scheduled conference.
- o Nominations should include details such as:
 - Name of the Student Nurse
 - Sports event and level (National/international)
 - Award or position received
 - Proof of achievement (e.g., Copy of the certificate or the letter from organizing body, Photo of the medal)
- o Nominations can be submitted by the Student Nurse themselves or by their peers, supervisors, Teachers, or sports organizations.

3. Selection Committee:

- o A selection committee will be formed to review nominations and ensure that all eligibility criteria are met.
- o The committee will consist of TNAI representatives, sports professionals, and external experts.
- o The committee will make the final decision on the nominees to be honoured.

4. Award Presentation:

- o The award ceremony will take place during the SNAI National Conference, as part of a dedicated segment for recognizing sports achievements.
- o Each honoured Student Nurse will receive a certificate of recognition and a trophy or medal.
- o A brief description of the winner's achievements will be shared with the audience before the award is presented.
- o Special mention may be made for Nurse/ Student Nurse who have contributed to promoting sports within the nursing community.

5. Publicity and Acknowledgment:

- o The names of honoured nurses and their achievements will be published in the TNAI newsletter, on the official website, and via social media.
- o A press release may also be issued to highlight the contribution of nurses in sports.

6. Future Considerations:

- o The program may be expanded in future years to include more categories, such as individual and team achievements, or other forms of recognition, such as community sports contributions.
