

Join Us for the 7th Commonwealth Nurses and Midwives Conference 2026!

In partnership with the Trained Nurses Association of India (TNAI)

Dates: Thursday 24 – Friday 25 September 2026

Venue: Manekshaw Centre, New Delhi, India

Theme: *“Shaping the Future: Nurses and Midwives Navigating New Frontiers”*

The **Commonwealth Nurses and Midwives Federation (CNMF)**, in collaboration with the **Trained Nurses Association of India (TNAI)**, is delighted to announce the 7th Commonwealth Nurses and Midwives Conference — a premier global gathering of nursing and midwifery professionals, educators, researchers, and policy leaders.

In a rapidly changing world, nurses and midwives are at the forefront of transformation. **Digitisation, artificial intelligence, and emerging health innovations** are redefining how we deliver care, educate the next generation, and connect across borders. This conference offers a platform to **share experiences, research, and solutions** that empower our professions to navigate these new frontiers with confidence and compassion.

Call for Abstracts Now Open!

Are you shaping the future of nursing and midwifery? We invite you to submit an abstract showcasing your work, research, or innovative practices that help navigate today’s evolving healthcare landscape.

Submission Deadline: 31 March 2026

Notification of Acceptance: 30 April 2026

Visit www.commonwealthnurses.org/conference2026 for full submission details and the abstract template.

Why Attend?

- Engage with global leaders in nursing and midwifery
- Explore the impact of AI, technology, and innovation on healthcare
- Network with colleagues from across the Commonwealth
- Share your voice and contribute to shaping the profession’s future

Join us in **New Delhi, India** for an inspiring two days of learning, collaboration, and innovation. Together, let’s shape the future — navigating new frontiers with courage, creativity, and care.
