

## Important Update on TNAI Life Membership for Nursing Graduates

Dear **Sir / Madam**,

Greetings from Trained Nurses' Association of India!

As per the decision of the National Executive Committee / National Council, vide Minute No.

**TNAI/EC & CL – 118/18th–19th November, 2025/4/4**, the following guidelines are issued regarding TNAI Life Membership fees for nursing students who have completed their course:

### **1. Life Membership Fee**

All nursing students who have completed their course and are applying for TNAI Life Membership are required to pay a Life Membership fee of ₹3,000/-.

### **2. Concession under SNAI Subscription Plan (Old SNAI Plan)**

Nursing students who, during their training period, have already paid (B.Sc. Nursing – ₹650/, GNM ₹500/ and ANM – ₹350/-) the SNAI Subscription Fee under the Old Plan are therefore required to pay only ₹2,200/- for enrolment as TNAI Life Members.

### **3. No fees for SNAI Members adopted SNAI New Plan**

Student Nurses who have adopted the SNAI New Plan by paying Rs. 2,000 in the first year of the course are not required to pay any additional fees after completion of the course to enrol for TNAI Membership. The nursing institutions are required to submit Final Mark Sheet, or Degree Certificate, or Registration Certificate (any one) to convert their membership to TNAI Membership.

For further details, clarification, or verification of subscription status, students may kindly contact: Membership Section, TNAI Headquarters: **Email: [membership@tnaionline.org](mailto:membership@tnaionline.org)**

With regards,

Sd
