## Emergence of TNAI's ITC as State-of-art Training Centre for BLS, ACLS Training Facilities

As many of you are aware, the International Training Centre at TNAI's Central Institute of Nursing & Research (CIN&R) in Greater Noida has started functioning. As an approved centre of American Heart Centre, TNAI's ITC is equipped with state-of-the-art facilities for Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS) systems. In the wake of increasing incidence of heart problems, skilled manpower to handle such cases is imperative. Schools & colleges of nursing, hospitals and health care organisations may consider deploying their staff/ faculty and students to participate in the short-term training programmes at TNAI so as to hone up their skills in these life-saving procedures. For details please refer TNAI website, and recent issues of *TNAI Bulletin* and *NJI*.

The XXVII TNAI Biennial Conference in Goa during 11-16 December 2018 shall simultaneously witness the TNAI Elections 2018 for various posts of TNAI. The list of candidates eligible to contest for the posts of President and Vice Presidents published in June 2018 issue of TNAI Bulletin, and also appears in this issue. Kindly ensure that you have a new TNAI Life Membership Card; without these you may have difficulty casting your vote. The new memberships card can be obtained free of cost from TNAI Hqrs. As for participation in various competitions of the Goa Conference, remember that last date for submission of entries for scientific papers, poster competitions, etc. is 31 August 2018.

A health day of concern to nurses in the month is World Hepatitis Day (WHD) on 28 July, this year's theme being Eliminate Hepatitis. The toughest challenge to manage hepatitis is ignorance of those living with it. Out of the 325 million people living with viral

hepatitis the world over, more than 300 million (90%) are unaware that they are living with the hepatitis B or hepatitis C. Scaling up the awareness and the diagnostic facilities is therefore top priority, otherwise it may not be possible to eliminate viral hepatitis by 2030. On WHD, campaigns are launched to raise awareness of viral hepatitis, increase testing both at individual and policy level and improve linkage to care and treatment.

Advice to SNA Units: It is learnt that some SNA Units have not yet sent their subscription for the year 2017-18 to TNAI Hqrs. All such Units are requested to kindly settle their dues by 31 July 2018.

## मानसून में सेहत की अनदेखी ठीक नहीं

तमतमाती धूप लंबे दौर तक झेलने के मानसून आता है तो फिजाएं सुहानी होती हैं और चेहरों पर रौनक आ जाती है। यह सब ठीक है, किंतु मानसून में फिट-दुरस्त रहना जरूरी है। आपकी सेहत के लिए कुछ दिक्कतें भी खड़ी कर सकता है। इनसे बचे रहने के लिए निम्न बातों का खयाल रखना होगा।

- बारिश के पानी से बचें। जब भी बाहर निकलें, छाता या रेनकोट साथ में रखें।
- मानसून में मच्छरों और कीट पतंगों का अक्सर प्रकोप हो जाता है। अपने घर या कार्य स्थल में या आसपास पानी जमा नहीं रहना चाहिए, यह मच्छरों के प्रजनन में सहायक होता है।
- खानपान सही रखा जाए। सुबह का नाश्ता भरपूर हो और रात का खाना हल्का।
- रात के खाने और सोने में कम से कम एक घंटे का फासला रखें।
- चुस्त रहने के लिए शारीरिक व्यायाम आवश्यक हैं। सुबह-शाम टहलने की आदत बना डालें। साइक्लिंग, जिम, व्यायाम, योग आदि हमारे मन और शरीर दोनों को स्वस्थ रखते हैं, अतः ऐसी कुछ गतिविधियों को रूटीन में अपना लें।
- मन का चंगा होना जरूरी है। तनावमुक्त रहें।

“Nurse who died battling Nipah Virus”**

As mark of homage and respect to Lini Puthussery, who lost her life while saving the Nipah virus victim.

Lini Puthussery, a 28 year old nurse, wrote this note to her husband as she was dying from the deadly Nipah virus on Monday in India’s southern state of Kerala. She has two sons, aged five and two.

Lini was one of the nurses who took care of Mohammed Sadik, the first victim of Nipah virus in Kozhikode district. She reported to have started feeling feverish on Sunday. When she realized that she was experiencing what could be symptoms of the infection, she admitted herself to hospital and asked to be quarantined, according to local media reports.

Last words of Lini, she called her husband and said: ‘I am sick and I am going to the hospital for treatment. “I don’t think I will be able to see you again. Sorry. Please raise our children well.”

The entire Nursing Fraternity Salute her for her dedication and commitment. May, God, the Almighty, grant peace to the noble soul and strength & courage to the bereaved family, colleagues specially to her husband and children to bear the irreparable loss!

May her soul rest in peace!
