TNAI Surging Fast Forward towards Welfare of Indian Nurses

We are delighted to announce that after years of our efforts, the Protector General of Emigrants, Ministry of External Affairs has recently approved TNAI as a certified recruitment agent with wide Registration number B-0841/DEL/SOCIETY/1000+/5/9255/2017 to place nurses for abroad. We at TNAI are streamlining the process of recruiting, the relevant software for same are being likely to be developed in a couple of months, after which the nurse applicants shall be enabled to apply through TNAI website. TNAI took this initiative to bring an end to the exploitation of nurses from the various authorised/an authorised recruiting agents.

Breastfeeding Week: Both tradition and science have established that mother's milk is a perfect feed for the infant with no match in terms of essential nutrients as well as palatability – and at temperature just appropriate for the baby. Further, breastfeeding mothers also benefitted in big way by warding off themselves from many diseases. It is in this backdrop that every year during 1-7 August, World Breastfeeding Week (WBW) is celebrated globally to encourage breastfeeding and improve the health of infants in all regions. This year's WBW theme is, *Sustaining Breastfeeding – Together*. Related to the theme, TNAI is organizing a one-day workshop on same theme on 4 August at its New Delhi Headquarter, and a conference on 6 August in collaboration with Association of Lactation Professionals India (ALPI). As per its mandate, TNAI is committed to work steadfastly towards attaining the SDG goals by 2030.

As you are aware, in fulfillment of its objective of ensuring fair deal for Nurses in the country, TNAI has been consistently taking various initiatives, the major one in preceding years being filing of petition in the Supreme Court in 2011. The apex court in 2013 had issued notice to Union of India and all State governments and in January 2016, a Committee was set up with TNAI as a Member to investigate the working conditions and salary structure of private hospitals. In September 2016, the committee submitted its recommendations and the Ministry of Health & Family Welfare was advised to issue necessary guidelines to be followed up in the interest of working Nurses. TNAI has since been striving hard to see

that the guidelines are followed in earnest. Accordingly, the Health Secretaries of States are being requested to take urgent action to ensure that the malpractices in payment of wages and working conditions are rectified. A glaring example is that of Kerala, where the nurses' unrest is assuming worrisome dimensions due to low wages and unsatisfactory working conditions.

We urge all the State/ UT branch Presidents and Secretaries of TNAI to rigorously follow up with the respective departments to see that the recommendations of the concerned Committee are implemented in letter and spirit and keep us posted about the progress on this front.

सिंगल हैं तो ज्यादा हो सकता है डिमेंशिया का खतरा

लंदन के यूनिवर्सिटी कॉलेज ने हालिया दावा किया है कि अविवाहित, विधुर और विधवाओं को विवाहित व्यक्तियों की तुलना में याददाश्त क्षीण हो जाने यानी डिमेंशिया का जोखिम बढ़ जाता है।

चौदह अध्ययनों के विश्लेषण के उपरांत उक्त शोध से जुड़ी लॉरा फिप्स का कहना है कि शादीशुदा लोग अमूनन ज्यादा जीते और स्वस्थ रहते हैं जिसके लिए अनेक तथ्य जिम्मेदार होते हैं। उनके अनुसार दो होते हैं तो दोनों एक दूसरे का खयाल रखते हैं, स्वस्थ जीवनशैली अपनाने में सहायक होते हैं तथा विवाहितों में सामाजिक संवाद बेहतर रहता है और अल्जीमर्स जैसी बीमारी होने भी लगे तो आरंभिक चरण में उचित उपाय किए जा सकते हैं। फिप्स की मान्यता है कि अविवाहित, विवाहित और विधुर या विधवाओं की शारीरिक क्रियाओं और आचरण में बदलाव आ जाना स्वाभाविक है और डिमेंशिया के लिए अनुकूल परिस्थितियां बनने से इसका सीधा संबंध है।

ICN Conference at Barcelona: A Report

25 May to 1 June 2017

The annual congress of International Council of Nurses (ICN) is a long awaited event for world nurse leaders to share and exchange professional views and experiences. The 2017 ICN Congress was held at Barcelona in Spain.

The Conference provided a befitting platform for thousands of nurses who deliberated on their role in the transformation of care, with focus on universal health coverage, the Sustainable Development Goals and utilisation of human resources for health. It facilitated nurses to strengthen mutual bonds and disseminate nursing knowledge across specialities, cultures and countries. The three ICN pillars – Professional Practice, Regulation and Socio-Economic Welfare, served as basis of the scientific programme and the dynamic exchange of experiences and expertise.

The broad objectives of the Congress were:

- To demonstrate and advance the nursing contribution to informed and sustainable health policies.
- To highlight nurses' contribution to evidence-based healthcare and to encourage problem-solving approaches to health priority needs.
- To provide opportunities for an in-depth exchange of experience and expertise within and beyond the international nursing community.

All these objectives were met during this Conference. The INMO was represented at the ICN 26th Quadrennial Congress in Spain, in May 2017, by its President, Martina Harkin-Kelly, and the Director of Professional Development, Elizabeth Adams.

It was huge gathering with around 8600 registered delegates from 35 participating countries. Delegates from different countries appeared in their National Dresses, as could be seen on the large screens. From India, two delegates viz Mrs Anita Deodhar-President TNAI and Mrs Phalakshi Manjrekar from Mumbai, were deputed.

The Conference began on 28 June. At a time, 8 to 10 sessions were held simultaneously that concluded by 6 pm. Though most of the sessions were conducted in the Spanish language, we had absolutely no difficulty in following the proceedings as we were provided with head phones with a choice to listen the proceedings in another four languages. All the sessions were informative and interesting.

The Exhibition and Panel Discussions were exceptionally good and very informative; first Panel Discussion which focused on “Health Care Systems” was led by JHPIEGO; the second, led by ICN, highlighted “The Impact of Globalisation on Nurses and their Associations”. The last Panel discussion was hosted by CGFNS and focused on “Delivering a Sustainable Nursing Force”.

A distinct feature of the conference was the ICN Policy Cafes (stalls) where various policy matters such as Patient-Centred Care, Leadership, ICN Policy consultancy etc. were discussed in detail.

Participation in ICN Conference was unique in many ways to meet and discuss with many international Nursing celebrities.

On behalf of TNAI, the President- TNAI congratulated Mrs Judith, the outgoing President and Mrs Annet Kennedy, the ICN President-elect, Mrs Holy, a senior ICN Board Member, Dr. Francis, the

Chief Executive Officer of the ICN and many others. Lord Nigel Crisp, an Independent Cross Bench Member of the House of Lords (UK) promised to help Nurses and the Nursing profession, if he gets re-elected in forthcoming UK Parliament Elections.

The President, TNAI had opportunity to discuss with Mrs Marian, in charge of Membership Affairs and policies in ICN about Membership Issue of the Student Nurses. She was informed that in India, the TNAI has large number of Student Nurse Members. It was suggested that initially, Nursing Associations of all countries should involve "Student Nurses" in their Associations after which, the matter could be taken up in the Executive Committee Meeting of the ICN for discussion in the ICN.

The President also met Mr Graham, incharge ICN Education System, and discussed the possibilities of ICN-TNAI collaboration in the area of CNE. He agreed that ICN would offer number of Free Educational Courses to the Nursing Associations from the developing countries by giving them a link to their website after which the respective Association may consider whether it is to be given free or on payment to Members/Non-Members of that Association. However, he observed that in case the Association decides to charge fees for such Educational Courses to Non-Members, half the charged amount should be remitted to ICN Education System. He was requested to forward all details via e-mail to TNAI so that the issue could be discussed in TNAI EC/ Council meeting.

मच्छरों से बचाव करना ही होगा

कम ही लोग जानते हैं कि मलेरिया के लक्षण दिखने के 24 घंटे में यह जानलेवा बन सकता है! हर साल 70 करोड़ से ज्यादा लोगों को बीमार बनाने वाला मच्छर दुनिया में 4.29 लाख मौतों के लिए जिम्मेदार है। इसीलिए कुछ विशेषज्ञ इसे धरती का सबसे खतरनाक जीव मानते हैं। मलेरिया मच्छर के काटने से होता है। मलेरिया के सर्वाधिक मामले (90 फीसद यानी सालाना करीब 21.2 करोड़) अफ्रीका में पाए जाते हैं। मलेरिया से जूझने वाले अन्य देश हैं, दक्षिण अमेरिका, रूस, मैक्सिको और एशियाई मुल्क।

मलेरिया कैसे होता है?

मादा मच्छर जब मनुष्यों या पशुओं को काटती है तो डंक में मौजूद विषाक्त बैक्टीरिया से मलेरिया व अन्य बीमारियां पैदा होती हैं, हालांकि मच्छरों की सभी प्रजातियां क्षतिकारी नहीं होतीं। मलेरिया के परजीवी रक्त प्रणाली में प्रवेश करने के बाद रक्त के लाल कणों को प्रदूषित और नष्ट कर देते हैं।

सर्दियों में मच्छर निष्क्रिय पड़े रहते हैं और उष्ण तामपान में सक्रिय हो जाते हैं। इनकी तीन हजार प्रजातियों में से क्यूलेक्स, एडीज़, एनोफिलीज और एशियन टाइगर ज्यादा खतरनाक हैं। मादा मच्छर खड़े पानी में अंडे देती हैं उसके कुछ सौ गज की परिधि में मच्छर मंडराते रहते हैं। पक्षियों को काटना इन्हें अधिक पसंद होता है। इनका जीवनकाल करीब एक माह है। एनाफिलीज़ के काटने से मलेरिया तथा एडीज़ और एशियन टाइगर से डेंगू, येलो फीवर और इंसेफेलाइटिस संक्रमित होते हैं। मलेरिया के उपचार में दिक्कत यह है कि इसके लक्षण सामान्य बुखार या फ्लू से मिलते जुलते होते हैं – ठिठुरन, थकान, सिरदर्द, पसलियों में दर्द, उबकाई, डायरिया। बीमारी की तीव्रता का अनुमान क्लीनिकल जांच में लैब परीक्षणों से तब होता है जब शारीरिक क्रियाएं प्रभावित होने लगती हैं। यदि तुरंत उपचार न किया जाए तो स्थिति खतरनाक हो सकती है। गंभीरता के लक्षण हैं – रोगी का सांस लेना दुष्कर हो जाना, ब्लग शूगर कम हो जाना, हैमोग्लोबीन स्तर गिर जाना या उसका कौमा में चले जाना, ऐसे में मृत्यु भी हो सकती है।

Former Secretary-General Prof Sujana Chakravarty

Passes Away

Prof (Mrs) Sujana Chakravarty, former Secretary General, TNAI and a veteran Nurse leader sleeps in eternal peace. She passed away on 20 June 2017 at the age of 67 years due to heart attack at Max Hospital, Saket, New Delhi. She is survived by her husband, two daughters and a son.

Born on 13 June 1950, Prof Sujana belonged to Andhra Pradesh. She had her graduation degree from RAK College of Nursing (Delhi University) in 1973 and later her Masters in Nursing from same institution in 1994.

In her nursing career, she served, besides TNAI, several institutions: RAK College of Nursing, AIIMS College of Nursing, Ministries of Health in Iran and Saudi Arabia. After joining TNAI as Assistant Secretary General in January 1995, she was re-designated as Asst Secretary General-cum-SNA Advisor in June 1998 and promoted as Secretary General in January 2002. She sought voluntary retirement from TNAI in August 2003.

A condolence meeting was organised at TNAI Hqrs in New Delhi on 28 June 2017 to pay last tributes to Prof Sujana Chakravarty in the presence of her family members and nursing colleagues. Senior nurse leaders who attended the condolence meeting included Mrs Bimla Kapoor, Mrs Bandana Bhattacharya, Mrs Uma Handa, Mrs Usha Banerjee, Ms Neerja Sood, Mrs. Annu Kaushik, Dr Cecil Khakha, Mrs Cecilia, Dr. Rathi Balachandran, Dr CN Bhargavi, Mrs Sheila Seda, Wing commander Seda, Mrs Nandhini Subbiah, Mrs Sobha George, Mrs Deepa Chug, Mrs Sherly Thomas, Ms Arshi, Mrs Evelyn P Kannan, Mrs Sanghamitra Sawant, Mr Ajinas AM, Mrs Vatchala Dhinakaran besides family members and friends of Prof (Mrs) Sujana Chakravarty and TNAI staff.

Instances of her compassionate nature, academic excellence, command on vocabulary, language, perfectness in her tasks and interactions were recalled by her teachers, students and colleagues. A dynamic personality with administrative knack, she was known for taking quick decisions. She contributed immensely to TNAI during her tenure. Her daring personality was admired by one and all.

The condolence messages of President TNAI Mrs Anita Deodhar, former President, former and existing Vice President, Secretary Generals, Treasurers of State/UT Branches and all state branch President and Secretaries and other nurse leaders, who could not make it to be present, were read out by Mrs Vatchala Dhinakaran. Floral tributes were paid by the senior nurse leaders and TNAI staff members.

Let us all pray together for the soul of departed Nurse leader to rest in peace and grant courage and strength from the God Almighty to the family members and entire nursing community to bear this unbridgeable gap.
